

## **Best Practices No -01**

### **Title of the practice**

### **Late SMT. ICHRAJBAI HASTIMALJI MUNOT ENTERPRNEUR AND SKILL DEVELOPMENT CELL.**

### **Objectives of the Practice**

1. As social responsibility to generate awareness regarding enterprenual development amongst college students.
2. Entrepreneurship is important, as it has the ability to improve standards of living and create well, not only for the Entrepreneurs but also for related businesses.
3. To create awareness among the students related to Entrepreneur and skill development.
4. To inculcate Entrepreneurial spirit and culture among the art's and commerce students of the college.
5. To conduct programs in Entrepreneurship enabling skills.
6. To conduct skill development training programs with the help of technology.

### **About The Cell**

K.G.College is a major source of higher education for the poor and needy students of Ahmednagar. K.G.College is a vision conceptualized by its founder Shri.Hastimalji Munot for advance learning for the economically deprived, socially downtrodden and educationally disadvantaged section of the society. The establishment of the college was the realization of a long and elusive dream of the people of the trust. K.G. College is the first evening college of the Ahmednagar district. Most of the students of this college are working. Most of the students are dropped their education due to family responsibilities and working as labors. But we provide them guidance to complete their degrees. Because after finishing one's graduation, one often faces the dilemma of choosing what one should do in life. The vast majority of human beings direct their activities to words earning a living, generating wealth and improving their standard of living. However one can choose one's career as your own business rather than wage employment. We inculcate the thought in our students through this cell that, if you opt for a job, than you will work for others and in case you opt for Entrepreneurship you will work for yourself like boss and even you can give opportunity to others to work for you.

### **Evidence of Success**

Most of the students in future will face various job related issues; this Entrepreneur cell helped them to find out the path for future. Entrepreneurship education focuses on developing real world experience that will help students to lead exceptional lives in a rapidly changing world. Entrepreneurship education taught students crucial life skills such as

- How to collaborate and work with a team.
- How to speak in public and Prepare and effective presentation.
- How to use social media as an advocacy tool.

Students of K.G.College actively participated in this competition and get ideas of Entrepreneur development skills. Some of the students have started their own unit after getting exposure through this cell. Mr.Sachin Katariya is the one of the student of B.A department started his color factory in ahmednagar MIDC.

### **Problems Encountered and Resources Required**

Most of the participants come from different economical background and most of the students are working so that way it is difficult to do attitudinal change amongst them.

### **Publication of College Annual Magazine**

#### **Title of the Practice- “Palvi”**

**Objectives of the Practice- 1. To provide opportunity to the teachers and students for self expression in written form based on various themes.**

**2. Try to develop and cultivate in students the literary taste and study habits on various subjects.**

**3. To act as a means of unifying the college.**

#### **The Content**

**A college magazine** is an annual or periodical publication of a college through which the students and teachers get the opportunity to show their creative power. The name of our college is “Palvi” It is published once in a year .The magazine activity started in the 2017.Basically it is based on various things like Environmental awareness, Gandhi and his Philosophy, precautionary measures in the Pandemic situation, and Enhancement of skills after Pandemic situation. This magazine gives a view of the life of the college and reveals the creative genius of the students. It contains poems, articles, and short stories all written by the teachers and students. Almost every well-established college publishes a magazine every year. The publication of a college magazine is a very difficult task. The editor and her assistant have to work hard to publish the magazine. The magazine committee invites writings from the students and teachers. The editorial board selects the qualified ones for printing. The college magazine serves many useful purposes. The most important is that it brings out the latent creative talents of the students and thus helps them to be good writers. A magazine committee is formed in a general meeting for the publication of the magazine. The Principal of the college is the president of the committee. She inspires students to submit writings. A student feels proud and happy when he finds his own writing in print in the college magazine. The college magazine also reflects the academic and co-curricular activities of the college. It is a treasure island to the students. The students can learn many things from the college magazine. In the world, the college magazine mirrors the college.

Moreover, it is a link between the past and the present students of the college. The ex-students can rightly remember the school with all the happy memories of their boyhood days when a copy of the college magazine reaches their hands. A college magazine is also a mirror of a college. It depicts the activities done and achievements earned by a college. Various photographs of college activities are included in a college magazine. In fact, a college magazine gives over the impression of a college.
